Why LFA First Response...

5% Price Beat Guarantee

We want to look after our customers and ensure they are getting the most cost efficient supplies and service on the market today. As a result, our promise to you is a guarantee that we will beat any lower price by 5%*.

Unbeatable Expiry Dates

Cheaper can often mean a shorter shelf life, requiring a constant monitoring of stock, more frequent ordering, or worse not having the right product to hand when you need it most. We offer unbeatable use by dates on essential consumable products such as EpiPens and inhalers ensuring you get the most value for money.

Unbeatable Customer Service

With a dedicated account manager looking after you as a customer, we are committed to providing you with the utmost care, on time, every time. We aim to deliver goods within 3-5 days, and please call our friendly staff at anytime if you have any queries.
